

EAT WITH SAM K

UGC CONTENT PACKAGES

Scroll-stopping food & lifestyle content made for your brand's social channels, website, or paid campaigns.

What is UGC? I create polished, authentic vertical content that your brand can publish on its own channels. UGC is promotional content - it is separate from my independent Eat With Sam K reviews and does **not** include a Sam Score.

PACKAGES

STARTER \$300 • 1 edited vertical video • 15-45 seconds • 1 concept + hook • 1 round of revisions • Organic social usage Great for a single menu item, product launch, or restaurant feature. ADD-ONS & CUSTOM WORK

Raw footage Unedited clips from the shoot	Paid ad usage Quoted by usage term & campaign
Additional hooks Alternative intros for testing	Monthly content Custom recurring packages available

GOOD FIT FOR

Restaurants • Food & beverage brands • Hotels • Nashville attractions • Events • Kitchen & lifestyle products • Apps & services

Independent reviews stay independent. Paid UGC does not receive a Sam Score and is not presented as an unbiased Eat With Sam K review. This keeps promotional partnerships clear while protecting the trust behind the Eat With Sam K brand.
